Englished Disneter on the Pennsylvania One very rich man was always dealing in money, and was largely attended and harmonious of his money and he made a great deal, but was never satisfied without high interest. So he lentmost of his money to some people who he thought were very rich, at a some people who he thought were very rich, at a some people who he thought were very rich, at a satisfied without high interest. So he lentmost of his money to some people who he thought were very rich, at a satisfied were neminated as Liucoln at 8.4. Benjamin of Straiferd, were neminated as Liucoln at 8.4. Denominated as Liucoln at 8. till one day the people he lent to went to smash. He got back about ten cents on a dollar of his money. dividend. The President and everybody said it was | Congressional District. the best fatock in the country-paid ten per cent. But what did the old man do but sell his stock the next day! Why? why? said everybody. Because, At pays too much dividend. And in six mouths the bank went to smash. Now, that I know to be a fact. Well, Mr. Smith, Iyou say rathroad Mocks are best, because they pay high dividends? in the XVIIIth District. Can you tell how long they will pay them? I like failroads. I helped to build one, and I go in for useful things. But I tell you what I know about diridend, and two-thirds (and some of them eracked | Poughheepsie Eagle says: up, too,; do not pay as much as Government stocks. Now that brings me to the Government securities, and I will tell you why I prefer them. I take it you will admit, Mr. Smith, that in the long run the investment which is best should have these qualities: First, it should be perfectly secure : secondiy, that the income should be uniform and permonent-not up one year and down the next; and thirdly, that it should be marketable, so when your, Union Convention of the XIth District. wet day comes, and you want your money, you can

book you call the Census Statistics. I used to think it wasn't worth much; but since I began to study it, I tell you, I found out a good many things very useful for me to know. I found out, by looking at the crops, and the factories and shipping, &c., that we (I don't mean the Rebel States) are making a thousand millions of dollars a year more than we spend. So you see that (since the increase of debt isn't half that) we are growing rich instead of poorer, as John Buil and the croakers would have us think. Then the debt will be paid, anyhow, no matter how long the war is. Besides, did you ever hear of a Covernment that broke before the people did? Look into your big histories, Mr. Smith, and you will find the people break before the Governments. Well, then, I call that stock perfectly

"Secondly, you want the income uniform and Well, I want you to take up a list of banks, railroads, mines, insurance companies -- anything you choose-and tell me (honor bright, now! how many have paid a uniform income for ten of twenty years. Not one in a hundred, Mr. Smith and you know it.

gives me my income every year.

act." Included in "those with whom I act" are savings in Government stocks. I confess, too, that Capt. Rynders and Horatio Seymour. The trio I wanted to help that dear old country, which is One of the three, Rynders, in the spring of '61, Smith, "I hadn't thought of all this. There is a not far from the time when Rebel guns opened good deal of sense in what you say, and I will go so far as to put two or three thousand dollars in

We left Mr. Smith going towards the bank, and Poor Richard returning home, with that calm and placid sir which indicated the serenity of his disposition and the consciousness of doing right towards his country and his fellow man.
